

# SKILL DESCRIPTIONS

There's something here for everyone! No matter which camp location you work at this summer, a highlight for our campers' next-level experience will be the Skills they get to participate in throughout their camp Session or Week. We're looking to hire top-notch Summer Staff that we will give all the tools necessary to create non-stop fun.

To make your application easier, we've put our Skills into seven "Skill Buckets". Check out the Skills below to see what you're most interested in! Because each of our camp locations differ, not all Skills are offered at each location.

(O) = Overnight Camps Only

(D) = Traveling Day Camps Only

(I) = International Camps Only

(F) = Family Camp Only

## ADVENTURE SPORTS

### Adventure (O/F)

Enjoy the outdoors as campers learn the basics of camping and outdoor living. Set up a tent, cook over a fire, and hike through the woods!

### Alpine Only (D)

Get ready to lead and teach our campers to work as a team and build some amazing leadership skills. You don't want to miss out on one of the most unique Skills WinShape Camps has to offer! This Skill is for 4th & 5th grade campers only.

### Archery

Ready, set, go! Incorporate fun stories and creativity as you teach campers how to properly use a bow and arrow and hit an archery target. Previous experience preferred but not required.

## ADVENTURE SPORTS (CONT.)

### **Boune (O)**

Bounce, jump, slip, and slide! Lead campers in fun and engaging jumping activities including inflatables slides and obstacle courses.

### **Horseback Riding (O)**

Our horseback instructors will get campers saddled up and teach them to ride in the arena, lead them on trail rides, and teach them basic jumps. Must be a strong rider and experience teaching beginners is desired.

### **Indoor Rock Climbing (O)**

Facilitate a safe and challenging environment where campers can learn and develop their bouldering Skills and climbing Skills while on belay.

### **Mountain Biking (O/F)**

Explore the campus on two wheels as you teach campers safety and biking protocol. Adventures await on the trails!

### **Physical Training/Fitness (O/F)**

Engage campers in a healthy lifestyle as you explore different types of exercise (yoga, Zumba, etc.) and learn about nutrition and health!

### **Rollin' Rollin' (O)**

Develop campers' confidence and Skills on rollerblades by playing games on skates and teaching technical skating Skills. Must know how to roller skate.

### **YOGA (O/F)**

Teach campers the importance of unplugging & recharging in this busy world we live in. You'll help them clear their minds, talk about being "presently mindful," and do some yoga all while surrounded by the beautiful outdoors.

## TEAM SPORTS

### **Basketball**

They shoot and score in this Skill where campers learn the fundamentals of basketball by doing drills, playing games, and going head to head on the court. Previous experience on a team desired.

### **Cheerleading**

Pull out your pom poms and come ready to teach campers to cheer for their team as they learn awesome WinShape cheers and dances. Previous experience desired.

# TEAM SPORTS (CONT.)

## Flag Football

Definitely a team sport! In flag football staff will cover rules, safety, throwing, basic football plays, and fundamental positions. Be prepared to coach a team to victory.

## REC

Everybody likes “play time,” right? Well, this Skill is full of timeless activities like Four Square, but also new stuff like “kiddie pool kickball”! If you like to stay busy and have fun, you’re sure to love the fun and adventures of the Recreation Skill.

## Soccer

Focusing on the essentials, staff will teach campers the official rules of soccer, positions, as well as fundamentals like dribbling and passing.

## Sports (O/F)

Get ready for game-day, every day. Lace up your shoes and throw on your jersey to coach campers in Soccer, Lacrosse, Football and more!

## Tennis (O)

Spend this Skill on the courts while campers practice their tennis Skills and compete in basic games with each other. Previous experience desired.

## Trivia/Bingo (F)

As the Trivia Host, you’ll get to create a fun time as you test the campers’ trivia knowledge and play some Bingo with families!

## Ultimate Frisbee (O)

Through playing games and drills, Staff will teach campers throwing and catching techniques all while learning the fundamentals of Ultimate Frisbee.

## Varsity Sports (D)

Lead campers in experiencing sports at an exciting, competitive level in flag football, soccer, net games and so much more!

## Volleyball (O/F)

Bump, Set, Spike! Help campers learn and improve their skills in serving, passing, setting, blocking, digging, and spiking.

## Yard Games / Group Games / Net Games

Classics like wiffleball, kickball, and croquet-- mixed with new favorites like bocce ball and disc golf are parts of Yard Games. Campers will get to experience all kinds of classic and new games they can enjoy with friends-- then teach their friends in their neighborhood.

# ARTS & CRAFTS

## Calligraphy (O)

Teach campers the art of “hand-lettering” as you pen your favorite words and theirs!

## Crafts

Get ready to get crafty! We want campers to learn a variety of take-home activities where their creative side can be ignited.

## Creative (O)

For those who enjoy expressing themselves through various mediums, the Creative Skill is the place for you. Staff will get to lead campers through tie-dye, painting their own personal masterpieces and think outside the box as they take everyday items and turn them into works of art.

## Digital Photography (O/F)

Make your own memories while you teach campers to capture moments behind the camera and edit their photos like a pro.

## Fast Food / Gourmet Chef / Sweet Shoppe

Pull out your apron and cookbooks and whip up some treats as campers learn the basics of cooking and enjoy eating their creations.

## Jewelry Making (O)

If you like a little bling bling, simple friendship bracelets, or a cute pair of earrings, then Jewelry Making is the Skill for you!

## Painting

Foster a creative environment where campers can practice their drawing and painting Skills. Teach basic art techniques for campers to complete artistic projects.

## Pottery (O)

Teach campers to throw on the wheel and sculpt by hand as they mold their clay into beautiful creations. Previous experience required.

## Woodshop (O)

Get ready to throw on your tool belt and safety goggles while getting your hands dirty with woodworking. Here you'll teach campers about construction techniques with our Rube Goldberg day before they spend a few days cutting, burning, and staining their wood projects.

# MUSIC & PERFORMANCE

## Center Stage (D)

This summer WinShape's Got Talent is coming to you! Help a camper be a star performer in this Skill where they'll experience several things that the stage has to offer! Things like playing musical instruments, performing in a skit, and even how to do some pretty sweet card tricks!

## Dance

Show us your moves as you teach campers dances in a variety of styles and let them choreograph dances of their own! Previous experience desired.

## Gymnastics

Prepare for the Olympics as you teach campers elementary gymnastics Skills on the floor, balance beam, and springboard. Previous experience desired.

## Musical Theater / Main Event

From Broadway to your community-- we want campers that like to act, sing, or put on productions. During the week campers will be gearing up for their big performance on Friday!

# SCIENCE & IMAGINATIVE

## Pack Lore / Squad Lore (O)

In the Pack Lore Skill, you'll teach campers more about all the packs & animal tracks. Dive in by helping them to create gear to wear for pack competitions and rep their pack-pride during the closing program! // Squad Wars will not be complete without the Squad gear made in this skill! Lead campers in making arm bands from phoenix feathers, necklaces from griffin claws, and masks from dragon scales.

## Secret Ops

We want to teach kids how to serve and not get all the credit, so we go undercover on missions to serve everyone we can at camp. Campers will learn how to apply these principles when they get home.

## Under Construction / Imagination Station

A Skill to build whatever your imagination desires with building materials like Legos and more!

## Wacky Science

Pull out your lab coat and get ready to explore science through all kinds of wacky experiments. Prepare to be amazed!

## Village Venture (D)

Get your adventure hats on and get ready to explore – in Village Venture, you will lead Campers on an expedition to help them discover what makes their village unique through a blend of storytelling, adventure, and creative activities.

# PERSONAL DEVELOPMENT

## **Impact 360 Propel (O)**

Taught by an IMPACT360 student. In this unique Skill staff will teach campers about servant leadership, biblical worldview, and vocational calling. This Skill is designed for staff to teach campers how to deepen their faith and foster growth in the camper's relationship with Jesus Christ.

## **Bible Study/Corner Cafe (O)**

Pull up a chair and pretend you're in your favorite coffee shop as you study a book with Senior Campers only. You'll lead campers in a relevant discussion about life and faith each day while you drink coffee and hot chocolate.

## **Girl World (I)**

Imagine tea parties, fashion shows, and all things a little girl loves to do... you will find it in Girl World. This is a girls-only Skill for girls to understand what it means to grow into a woman of God.

## **Man Land (I)**

We want guys to learn what it means to be a man. It will be a mixture of adventure, games, challenges, and discussions on how to grow up to be great men. Only guys in this Skill -- guys wanting to be men!

## **Missions (O)**

Make an impact on our community and the world as you lead campers in mission projects that will make an eternal difference!

# WATER SPORTS

## **Aquatics / H2WHOA (O)**

Marco! Polo!... go ahead and jump in for a splash-tastic time in this Skill! Get ready to splash and swim around the pool! No matter your level, you will be sure to have some fun in the sun playing everyone's favorite water games.

## **Lake Life (O)**

Hit the water with your boat and a paddle and take these campers on adventures on the lake. This includes kayaking, paddle boarding, and so much more!

## **Fishing (F)**

Grab your fishing pole and bait! Enjoy some serene time at the pond while teaching campers how to bait a hook, cast a line, catch some fish and enjoy the great outdoors.

## **Splish Splash**

Beat the heat without a pool! Campers will cool off with water games, slip-n-slides, water balloons and so much more!
